BTMP3612H-BWN

Technical drawing of the BTMP3612H and BTMP2412H tables. The drawing shows two views: a side elevation and a top-down view. The side elevation shows the table's height (720mm) and the distance between the legs (1322-1122mm). The top-down view shows the table's width (1200-1400mm) and the distance between the legs (1330-1130mm). The table is labeled with the model number BTMP3612H and BTMP2412H.
